

KO-LED22A - Datasheet

- Product type: Professional Monitor
- Product model: KO-LED22A
- Screen size: 22"
- Screen type: LED
- Screen ratio: 16:10
- Brightness: 250 nit
- Contrast ratio: 1000:1
- Response time: 5 ms
- Visual area: 473.8*296.1mm
- Viewing angle: 160°/ 170°
- Display color: 16.7M
- Clearness: 1920*1080(Compatible with 4 k)
- Control method: panel infrared

- Input port: HDMI,VGA /USB/RAC/audio input
- Audio output: 2 stereo speakers
- Power supply mode: 12V/4A
- Power frequency: 50/Hz
- Total power: 30W
- Case: professional fireproof iron case
- Product outer dimensions: 502*333*46mm
- Installation method: base, wall mount
- Product weight: 2.4kg
- Packing: (1pcs) 550*430*105 /3.3kg; (5pcs) 560*440*540/18kg
- Working environment temperature: most suitable for 20°C
- Working environment humidity: 10% - 90% RH
- Storage temperature: - 20°C ~ 60°C
