

KO-LED24A - Datasheet

- Product type: Professional monitor
- Product model: KO-LED24A
- Screen inch: 24"
- Screen type: LED
- Aspect ratio: 16:9
- Bright degree: 200nit
- Contrast: 3000:1
- Response time: 4 ms
- Visual area: 535×297 mm
- Visual Angle: 178° /178°
- Display colour: 16.7M
- Distinguishability: 1920*1080
- Control method: panel

- Input port: HDMI, VGA, audio input
- Audio input: stereo speaker
- Power supply: 12V/3A
- Power consumption: 25W
- Shell material: Flame retardant metal
- External dimension: 545*320*40
- Product carton weight: 1kg
- Way to install: Base, wall hanging (75*75mm)
- Product weight: 2.6kg
- Operating ambient temperature: Most suitable for 20°C
- Working environment wet: 10% - 90%RH
- Storage temperature: -10°C - 60°C
